PIP®

FFP2 Harmful Dust Disposable Respirator with Exhalation Valve - 10 Pack

- Protection class FFP2 respirator masks are made for working environments in which deleterious and mutagenic particles can be found in the breathing air
- Low-profile exhalation valve reduces heat build up near the face, improving comfort
- Adjustable metal nose band for a proper fit
- Closed cell foam nose pad that contours the face, improving comfort and fit
- Latex-free, dual elastic head straps help keep the respirator positioned properly on the face
- Disposable and maintenance-free
