

PIP®

Seamless Knit Cotton / Polyester Glove with Double-sided EverGrip™ Nitrile Coating

- Seamless cotton/polyester knit shell is comfortable and flexible
- Double-sided Nitrile "MW" pattern provides superior grip and abrasion resistance compared to rubber or PVC coatings
- Coated with a special formulated nitrile to resist melting
- Acceptable for brief contact up to 450 degrees (Heat protection is subject to change based on how the glove is used in the application)
- Curved finger style provides an ergonomic, comfortable fit
- Knit Wrist helps prevent dirt and debris from entering the glove

Applications

- Secure Dry Grip and Oil Resistant
- Handling and Assembly of Parts and Materials
- Equipment Maintenance and Repair
- Parts Cleaning
- Fastening and Anchoring
