

### Assurance® PowerCoat® PVC Dipped Glove with Interlock Liner and Rough Finish - 12" Length

- PVC coating resist oils, chemicals, and many acids and solvents
- Flexibility reduces hand fatigue, and promotes increased productivity
- Seamless liner leaves no seams to rub or chafe
- Lightweight knit liners enhance ventilation to help keep hands cool and dry
- Supple as natural latex, but has the chemical resistance of PVC
- Ideal alternative for workers with latex allergies
