ESD

Technical Data

Color	Black
Sizes Available	--
Packaging	Case
Packed	--
Case Dimensions (cm)	48.26 x 27.94 x 33.02
Case Weight (kg)	9.64
Country of Origin	Viet Nam
Polymer	Latex
Grip	Textured
Thickness	--
Powder	Powder Free
Construction	ESD Safe
Certifications	--

QRP® Qualatex®
Static Dissipative Vacuum Sealed Latex Finger Cots ISO 5 (Class 100)

- Packaged for ISO 5 (Class 100) applications
- Unique, Stand-Up pouch for easy product identification
- Compliant with ASTM and IEST-RP-CC 005.3 standards
- Average surface resistance 10(7) Ohms per square unit
- For use with Class I and Class II static sensitive devices
- RoHS compliant
- P3 Polar Process
- ESD Safe to ANSO/ESD S20.20-2014
- Contains 100% natural latex which may cause allergic reactions

Performance Data

ISO Cleanroom	ISO 5 (Class 100)
Temperature Resistant	--
Static Control Property	Static Dissipative
