

ESD

## Technical Data

Color	White
Packaging	Case
Case Dimensions (cm)	48.26 x 25.40 x 30.48
Case Weight (kg)	8.64
Country of Origin	Viet Nam
Polymer	Nitrile
Thickness	3.5 Mil
Powder	Powder Free
Construction	ESD Safe

## Performance Data

Static Control Property	Static Dissipative
-------------------------	--------------------

## QRP® Qualatril® Single Use Static Dissipative Nitrile Finger Cots

- Compliant with ASTM and IEST-RP-CC 005.3 standards
- Average surface resistance 109 Ohms per square unit
- For use with Class II static sensitive devices (thresholds above 1000V)
- RoHS compliant
- P3 Polar Process
- 100% Nitrile (non latex)
- FDA 21 CFR Compliant
