

MaxiChem® Cut™

Nitrile Blend Coated Glove with TriTech™ Liner and Non-Slip Grip on Palm & Fingers - 14"

- Chemical resistance delivered through the ATG® LiquiTech® technology platform
- Innovative fibers - we source our base ingredients to develop our own unique high performance yarns and fibers that offer cut protection whilst maintaining high levels of comfort
- Triple layered TriTech™ technology for added protection, performance and comfort
- Ultra lightweight synthetic coating combined with an industry leading super light seamless knit liner provides excellent comfort, sensitivity, fit and dexterity
- Tailored cuff keeps the cuff close to your hand so maintaining your fingers at the tip of the glove to maximize dexterity
- Micro-cup non-slip grip finish allows for a controlled and superior grip in oily and wet applications. The nonslip grip is only applied where it is actually needed - in the palm area - to ensure flexibility isn't compromised
