

XtraTuff™

Oil Resistant PVC Glove with DuPont™ Kevlar® Liner and Rough Grip

- Dupont Kevlar® fiber construction provides high tensile strength relative to its weight, is inherently cut resistant and will not melt, ignite or conduct electricity
- Oil and liquid-resistant, staying soft and strong even after exposure to machine oils
- Seamless knit construction protects hands without sacrificing comfort or dexterity
- Straight cuff adds additional length to protect the forearm from liquid run-off
- Rough coated palm provides a great grip
- Seamless Kevlar® liner provides excellent cut resistance

Applications

- Chemical Processing
- Oil Refining
- Petrochemical Refining
- Plant Maintenance
-
