

### Technical Data

|                      |                              |
|----------------------|------------------------------|
| Color                | Green                        |
| Sizes Available      | --                           |
| Packaging            | Bulk Banded                  |
| Packed               | --                           |
| Case Dimensions (cm) | 40.60 x 25.40 x 17.80        |
| Case Weight (kg)     | 7.33                         |
| Country of Origin    | United States                |
| Liner Material       | ACP, Kevlar                  |
| Top of Arm           | Elastic Cuff                 |
| Ply                  | Single-Ply                   |
| Lining               | --                           |
| Construction         | 2x1 Knit, Smart-Fit          |
| Certifications       | Silicone Free, TAA Compliant |

### Kut Gard®

#### Single-Ply ACP / DuPont™ Kevlar® Blended Sleeve with Smart-Fit®

- Smart Fit™ technology raises the standards for performance knit sleeves offering a unique stretch and recovery to increase overall performance and value compared to traditional rib knits
- Proprietary ACP™ Technology and Kevlar® blend provides excellent protection against heat, cuts, lacerations and abrasions
- Fabric can withstand heat up to 500°F to protect arms from minor heat and burn injuries, do not use near open flame
- Exceptional comfort and fit, will fit comfortably over clothing or directly on the arm
- Form fit from top to bottom so it stays up on the arm making it far less prone to sliding down the arm eliminating the need for elastic or hook & loop top in most applications
- Good washability can be washed in soap and water and can be dry cleaned

### Performance Data

|                                 |    |
|---------------------------------|----|
| Cut Level                       | A4 |
| ANSI Puncture Level             | -- |
| ANSI Contact Heat Level         | -- |
| ASTM F1358 Vertical Flame Level | -- |

### Care Instructions

Machine Wash

Water Temp 40°C

Do Not Bleach

Tumble Dry

Low Heat

### Applications

- Cut Resistance with Light Heat Protection
- Automotive Applications
- Glass Operations
- Light Heat Applications
