

Hantex® NEXA-F+

NEXA-F+ 13 Gauge seamless knit glove, HPPE/Steel/Spandex/Polyester blended liner, foam nitrile palm and fingers coating, Touchscreen compatible, Cut F.

- The Nexa F+ combines a range of materials to offer a hardwearing glove with a high level of cut resistance.
- The nitrile foam coating on the palm ensures a secure grip, even in dry or oily conditions.
- The HPPE, Steel, Polyester, and Spandex Liner, provides the maximum cut resistance with an ISO cut level of F, ensuring your hands are protected against sharp edges and other hazards.
- The 13-gauge blended yarn liner also offers outstanding tear and abrasion resistance and high durability.
- Its lightweight and flexible design helps reduce hand fatigue during extended periods of use.
- Touchscreen compatible.
